

FINGERPRINTING

One Source The Background Check Company offers background screening solutions for pre-employment, volunteer, tenant and site-access applicants. As an added service, we also offer quality electronic fingerprint capture at our Omaha, Nebraska location. Fingerprinting has been used as a means of identification for over two thousand years. Due to state and federal mandates, today it is used by federal and corporate clients throughout the United States to verify identity. Capture options include:

Departmental Order/FBI Criminal Background Checks

Who: Someone who wants to check their FBI Rap Sheet

Using this expedited service, an individual can now receive their personal FBI Rap Sheet within 24 hours of fingerprint processing, rather than waiting 6 – 12 weeks for the FBI response. In addition, we can capture an individual's fingerprints using livescan fingerprint scanner or by having the applicant mail in two sets of ink and roll prints on each FD-258 card.

Authorized Recipient

Who: Any company requiring employees to be fingerprinted to work due to federal regulations

- A nongovernmental entity authorized by federal statute or federal executive order to receive CHRI for noncriminal justice purposes.
- A government agency authorized by federal statute, federal executive order, or state statute which has been approved by the US Attorney General to receive CHRI for noncriminal justice purposes.

FINRA EFS Fingerprinting Services (Electronic Fingerprint Submissions)

Who: Someone in the mortgage/lending industry

A program for direct FINRA EFS Fingerprinting Services (Electronic Fingerprint Submissions) to the United States securities industry and its regulators, including securities brokers-dealers, banks and FINRA members.
